Profile Summary

I am a dedicated & motivated individual with a strong passion for technology and a desire to excel in it industry. Despite not having any formal educational background in IT, I am committed to transitioning into this field to further my career. my enthusiasm for learning and my ability to adapt quickly to new challenges Make me a valuable asset to any team.

Academic Projects

PORTFOLIO (HTML,CSS,JS)
Developed a personal portfolio website to showcase my web development skills and projects. This single-page application is built using HTML, CSS, and JavaScript, providing a clean and responsive design that effectively highlights my work and capabilities.
https://dharmesh0111.github.io/portfolio/

CRUD PROJECT (HTML,BOOTSTRAP,PYTHON,MYSQL,DJANGO)
Developed a student management system using Bootstrap and Django to enable efficient CRUD (Create, Read, Update, Delete) operations. The application features a user-friendly form for entering student details, with functionalities to add, update, and delete student records seamlessly.
https://dharmesh0111.github.io/mini-CRUD-project/

CALCULATOR (HTML,CSS,JS)
Created a fully functional calculator using HTML, CSS, and JavaScript that supports basic arithmetic operations including addition, subtraction, multiplication, and division. The application features a sleek, intuitive interface with responsive design to ensure usability across various devices
https://dharmesh0111.github.io/calculator/

CURRENCY CONVERTOR (HTML,CSS,JS-FETCH-API)
Developed a dynamic currency converter application using HTML, CSS, and JavaScript, integrated with a currency conversion API to fetch real-time exchange rates. The application enables users to convert amounts between different currencies with up-to-dates rates.
https://dharmesh0111.github.io/Currency-Convertor/

PETSTORE (HTML,CSS,BOOTSTRAP,MYSQL,PYTHON,DJANGO)
Developed a static e-commerce website using Bootstrap to create a visually appealing and responsive platform for showcasing and purchasing products. The website features a product catalog, detailed product pages, and a streamlined checkout interface, all designed to provide an engaging shopping experience.
